

THE HEYTESBURY SCHOOL VILLAGE WAR MEMORIAL PROJECT

To mark the centenary of the outbreak of World War One and as part of the 'Wylie Valley 1914' project the children of Heytesbury School have researched the village memorial and the names on the memorial from the First World War to put together a picture of life in Heytesbury at the outbreak of this "War to End all Wars".

The Dorset & South Wiltshire branch are pleased to be able to support the school in this wide ranging project along with the War Memorials Trust. Support by the branch will continue through to publication of the children's research in a book to be given to every pupil when they leave the school.
